

Claims: Cancel all claims of record and substitute the new claims 58 to 114 in Enclosure C.

REMARKS - General

By the above amendment, Applicant has amended the title to describe the invention more accurately.

Applicant has corrected errors in the previous version of the specification.

In response to the Examiner's restriction requirement, Applicant hereby elects Invention I. The rewritten claims 58-114 are considered to be in better form and are limited to claims falling within the scope of the claims of Invention I.

Conclusion

Applicant submits that the specification and claims are now in proper form.

Very respectfully,

Jia Xu, Applicant Pro Se
